MEMORANDUM FOR THE RECORD

SUBJECT: More on Shultz-Gromyko Talks

1. Referring to our previous exchanges on the Shultz-Gromyko talks, I asked Judge Clark this morning whether the second session on 4 October had produced any interesting results. He said that the dialogue continued to go well and that the result was constructive. It was agreed that talks would continue "at the working level" on three topics:

--nuclear non-proliferation

--human rights

--Angola

2. Clark commented that Soviet agreement to discuss human rights was particularly interesting. (While we were talking, Mrs. Shcheransky was being received by Bud McFarlane.)
